DPD-2599-59
20 April 1959

Dear Sid:

The Auditor has submitted the following request to us:

1. We are currently engaged in the property audit of subject contract. (SP-1914 & SP-1916)
2. In connection with the release of the final audit report of property, we would appreciate your written confirmation to us that all items called for under this contract have been satisfactorily delivered to and accepted by the Project.
3. It is also requested that you advise us of any equipment or material furnished by the Government in connection with contract performance."

Attached is a copy of our letter to LAC regarding this request. However, please submit any information you can shed on this request and in particular whether or not any equipment was furnished by the Gov't to Baird either directly or through LAC.

Sincerely,

Dan
